

# *Notable* Chapter Leader

**Deadline: February 20, 2026**

This is a state honor which recognizes one leader from each HOSA chapter.

A notable leader is one that will almost always rise above the crowd. They possess many qualities such as: **Integrity, responsible, good listener, dedication, common sense, sensitivity, desire to connect with others, works well in a team, and most of all peer respect.**

If you have someone in mind, you should have no hesitation in saying they possess many of the listed traits and more.

Each chapter may submit the name of one person they feel is a Notable Chapter Leader. Please use the form provided to submit that name. This **will not** be a national recognition, but only recognized at the state level. **The link to the form will be emailed to teachers.**

- Each chapter may determine their own criteria/process for choosing the Chapter Leader. This person may be chosen by the advisors, or by the students in the chapter.
- This person may or may not be a chapter officer.
- The Notable Chapter Leader must attend the State Leadership Conference in March.
- We request that EVERY chapter attending SLC submit a name. We do not want any attending chapter left out!

## *Exceptional* Louisiana Chapter Leader

**In addition**, the state will choose ONE student from the submissions, as the **Exceptional Louisiana Chapter Leader!**

Both awards will be determined by a panel of judges and be recognized at the conference during the Leadership Awards Session.
