

Louisiana HOSA State Leadership Conference

March 21-22, 2022

The Crowne Plaza

4728 Constitution Av., Baton Rouge, LA 1-225-925-2244

Louisiana HOSA: Future Health Professionals is part of National HOSA, a student organization whose purpose is to promote career opportunities in health care and to prepare students to successfully pursue a health career.

During the course of this conference, students will compete in health-related competitive events. We will also expose students to a number of different health careers and health topics through workshops, a showcase, and an expo.

We are asking you to donate a little time to host a workshop. The presentation should be 50-60 minutes long (max) and include either a power point, printed material, items to show, or a hands-on activity to keep their attention. Personal stories are great! ...anything to get them involved and excited about your topic. Hands-on activities are **best**.

If you are interested, please click on the link below to register. Shortly after you register, you will receive a confirmation. In a few weeks, I will send you detailed information about time, arrival, parking, and the process.

On the registration form, you will be asked to put a 1, 2, or 3 for the time you wish to present. The schedule is still fluid, so detailed times are not yet available. If you can only do early morning, or late afternoon, etc., put that in the comments on the registration form.

Workshop Times

Monday Morning, March 21, 2022

Monday Afternoon, March 21

Tuesday Morning, March 22
