

# The Louisiana *HOSA* Cup

The purpose of the Louisiana HOSA Cup is to encourage the development of local chapter activities that benefit HOSA members, the school, and the community.

The coveted HOSA cup is a trophy that will be awarded at the Louisiana HOSA State Leadership Conference, to the chapter with the most accrued points. Points will be awarded to Louisiana HOSA Chapters for accomplishing different chapter goals, and for students in that chapter achieving excellence in HOSA. Points will be earned by individual students and by the chapter as a group, and then will be added together for that school's chapter. Points will start accruing at the beginning of the year and continue until the Louisiana State Leadership Conference. Deadline to accrue activity points will be on February 24, 2017.

The HOSA Cup will be a traveling trophy given to the winning chapter, to be kept at their school until the next State Leadership Conference. The winning chapter will be responsible for returning the trophy at the next year's State Leadership Conference where they will award it to the chapter with the most points that year.

A Chapter Profile must be submitted to the State Advisor before any chapter can begin earning points. Points will be awarded only when the State Advisor receives proof. Members will submit points through the online form. All points will be verified by the Advisor via email. Some points require additional verification. Ex: send copy of newsletter. Points for competitions, membership, etc., will automatically be awarded by the State Advisor.

All Point totals will be kept by the State Advisor and verified by the State Program Specialist. Point totals will be kept up to date on the leader board located on the Louisiana HOSA website. State Officers are eligible to participate since they will not have any access to point totals and will have no advantage over other members. Failure to notify the State Advisor of points before the deadline will cause points to not be accrued by that chapter. Points given to the State Advisor after the deadline will not be counted.

At the State Leadership Conference, the top three achieving chapters will be announced; the chapter with the most points will be awarded the HOSA Cup. After the announcement of the winner, the final list of chapter points will be posted on the Louisiana HOSA website.

**Good Luck!!**
