

Louisiana HOSA is Looking for a Singer

At the start of every conference we will try to have colors presented, say the pledge, and sing the National Anthem.

Soooo.... we are on a search for a HOSA member (student) with a great singing voice who can hit the high notes! This person will perform the anthem on stage after the pledge. Please ask your HOSA members if anyone is interested. There will be one person chosen to sing, and one more chosen as an alternate in the event the first singer is unable to perform on the day of the conference.

The following will be required to apply to sing:

- Submit a CD of them singing with Name and school written on it (preferred)
Or
Make appointment to stop by my office to sing it
Or
Make an appointment to call and sing over the phone (or audio text message)
- Student may have the anthem music (without words) playing in the background
- Or...student may sing the anthem without background music
- Student chosen and alternate must attend the conference
- Student chosen and alternate must be in HOSA uniform (black or navy) when performing

Send CD to:

**HOSA State Advisor
