

## **Meals:**

Because of the location of our conference this year, we have arranged the following food options. We hope you will stay and eat on campus instead of going out. This will assure you will always be back on time and not miss anything. It will also allow us to not have to cancel any of the food trucks. We believe we have arranged good food at great pricing.

Dinners will be held in the Cafetorium. Lunches may be eaten in the Cafetorium, or weather permitting, at a table or location outside on campus.

School clubs will be selling snacks throughout the conference.

For all meals, bottled water will be provided in the Cafetorium.

Please look at the choices then go to the registration for the conference and put in the meal choice for each person attending. **Please** sign up for your meals in advance so we can give a count to the vendors.

Anyone not registered for a meal will be assumed they are not eating on campus. If you get there and decide to eat there but are not registered for a meal, you will need to see Shirlene to get lunch tickets. (you will then be billed for the meals)

## **Thursday Dinner - \$6**
